Questions?

If you have any questions about the PTC Grand Prix standings or rules, contact **Bruce Davis** at **989-0072** or by e-mail at **weatherwizard@juno.com**.

GRAND PRIX RULE SUMMARY

The **Peninsula Track Club Grand Prix Race Series** is designed to encourage participation in PTC events, promote competition, and reward long-term performance and volunteerism. Grand Prix points are earned based on the results of designated Grand Prix races or by **volunteering** for any PTC race. You don't have to sign up for the Grand Prix. If you are a member and you run a Grand Prix race or volunteer, you automatically earn points. However, in order to be eligible for a Grand Prix racing award, **you must volunteer for a race at least once during the year.**

GRAND PRIX SCORING: Racing

Points are awarded to the top ten (10) male and female runners in each age group. **Scoring is as follows:** 1st place in each age group receives 10 points, 2nd place receives 9, 3rd gets 8 and so on down to the 10th place runner who receives 1 Grand Prix point.

Overall and Masters winners receive 10 points plus bonus points based on the number of overall places awarded. For example, if awards go to the **top 3 overall** men and women, both the first place man and first place woman receive 10 points plus 3 bonus points for a total of 13 Grand Prix points. 2nd overall men and women receive a total of 12 points and 3rd place receives 11. If the race in question awards the **top five overall**, then the overall winner receives 15, 2nd gets 14 and so on to the 5th place overall who receives 11 points.

Similarly, if a race has a **walking category**, Grand Prix points are awarded to the walkers as if the walking category was another age group. However, Grand Prix points are awarded specifically for walkers **only** in those races that have a specific walking category.

There is no limit to the number of Grand Prix racing points that can be earned. **However, you must be a PTC member in good standing (i.e. dues paid up) the month the Grand Prix event is held in order to receive points for your performance.**

GRAND PRIX SCORING: Volunteering

The PTC Grand Prix is unique in that points can be earned through volunteering. Every time a member volunteers for an event, they receive a three (3) Grand Prix volunteer points. Volunteer points are also awarded for participating in **Adopt-a-Highway Litter Getters**, which occur four times a year.

Bonus volunteer points are awarded for the following situations:

1) Double points for two races or extended events: For **multi-race events**, such as **Mulberry Island** and the **Yorktown Battlefield races**, with **two distinct races**, you get double points (six points - three for each race) when you volunteer. This **does not** apply to 1 mile fun runs, only for events with two distinct fully timed races or an extended event like the **24-Hour Race/Relay for Cancer**.

2) Volunteer to be a Race Director, Race Coordinator, or Volunteer Coordinator for a race. The **Race Director receives 10 bonus points** (13 points total), **Race Coordinator gets 5 bonus points** (8 points total) and the **Volunteer Coordinator receives 2 bonus points** (5 total for the event).

3) Volunteer Bonus: Members also receive a one-time **bonus of 7 points** (for a total of 10 points) for their **third volunteer effort**.

There is no limit to the number of volunteer points that can be earned, although no more than 6 volunteer points can be earned for a single event. Also **volunteer points cannot exceed the racing point total.**
