5K Race/ Walk & Kid's Fun Run

IN MEMORY OF NICHOLAS FERRIS

**HELP MAKE A
DIFFERENCE !!**

The Race Against the Odds is run in loving memory of 8 year old Hampton, Virginia resident Nicholas Ferris who lost his brave battle against brain cancer in May 2010.

As a race sponsor, you will join in our quest to find a cure for all cancers, starting first with one of the most difficult and deadly cancers: pediatric brain cancer.

The Race Against the Odds is the premier event for The Cure Starts Now Foundation in Washington, DC Metro Area. Funds raised at this family-friendly race will help The Cure Starts Now fund pediatric brain cancer research.

The Cure Starts Now (CSN) is a 501©(3) non-profit organization started by Brooke and Keith Deserich after the loss of their daughter to brain cancer. Thanks to the efforts of many companies around the nation, CSN is able to provide funding of experimental treatments and research at Cincinnati Children's Hospital and St. Jude's Children's Research Hospital. Yet, there is so much more left to be funded....
