GRAND PRIX RULE SUMMARY

The Peninsula Track Club Grand Prix Race Series is designed to *encourage participation* in PTC events, *promote competition*, and *reward long-term performance* and *volunteerism*. Grand Prix points are earned based on the results of designated Grand Prix races or by *volunteering* for any PTC race. In order to be eligible for a Grand Prix racing award, you must volunteer for a race at least once during the year.

**GRAND PRIX SCORING:
Racing**

Points are awarded to the top ten (10) male and female runners in each age group. *Scoring is as follows:* 1st place in each age group receives 10 points, 2nd place receives 9, 3rd gets 8 and so on down to the 10th place runner who receives 1 Grand Prix point.

Overall and Masters winners

receive 10 points plus bonus points based on the number of overall places awarded. For example, if awards go to the **top 3 overall** men and women, both the first place man and first place woman receive 10 points plus 3 bonus points for a total of 13 Grand Prix points. 2nd overall men and women receive a total of 12 points and 3rd place receives 11. If the race in question awards the **top five overall**, then the overall winner receives 15, 2nd gets 14 and so on to the 5th place overall who receives 11 points. There is no limit to the number of Grand Prix racing points that can be earned.

**GRAND PRIX SCORING:
Volunteering**

The PTC Grand Prix is unique in that points can be earned through volunteering. Every time a member volunteers for an event, they receive a three (3) Grand Prix volunteer points. Volunteer points are also awarded for participating in **Adopt-a-Highway Litter Getters**, which occur four times a year.

Bonus volunteer points are awarded for the following situations:

1) Double points for two races or extended events: For *multi-race events*, such as **Mulberry Island** and the **Yorktown Battlefield** races, with **two distinct races**, you get double points (six points - three for each race) when you volunteer. This **does not** apply to 1 mile fun runs, only for events with two distinct fully timed races or an extended event like the **24-Hour Race/Relay for Cancer**.

2) Volunteer to be a Race Director, Race Coordinator, or Volunteer Coordinator for a race. The **Race Director** receives **10 bonus points** (13 points total), **Race Coordinator** gets **5 bonus points** (8 points total) and the **Volunteer Coordinator** receives **2 bonus points** (5 total for the event).

3) Volunteer Bonus: Members also receive a one-time **bonus of 7 points** (for a total of 10 points) for their **third volunteer effort**.

There is no limit to the number of volunteer points that can be earned, although no more than 6 volunteer points can be earned for a single event. Remember, **volunteer points cannot exceed the racing point total**.
